More Than Music...
MINISTRY
The Reflectsons

The Reflectsons have completed our Twenty sixth year of ministry.

In September of 1992 Dale Thigpen and his family of singing ministers were officially named "The Reflectsons"

This name was chosen because it reflects the mission goal of the group to reflect the Son of God.

We believe that when a person hears the Gospel of Jesus Christ, their life will be impacted by that experience. Our goal is to reflect Christ and His word through our songs and testimonies.

The group started as a trio with Glen, Dale Jr. and Dale Thigpen as shown left to right in top photo on left. Down through the years many more would join in. Including former members: Tommy, Tommy Lee, Brian and Bryant Thigpen, Leslie Lewis Thigpen, Eric McDonald, Joey Carraway, Raymond Renner and George Pushkar.

In March of 2010 Bruce and Pam Renew came on board and are doing a great job with the group. Pam is our alto vocalist and has been nominated by several Gospel music organizations and has been awarded many awards while with the group.

Bruce is our sound technician and has been awarded numerous awards in this category. Bruce desires to move into a musician position with the group as soon as we can find the right sound tech to fill his position.

Rick Radford is our newest addition. Rick joined us in August of 2016. Please read the spotlight on Rick in this issue.

It is a great to have such wonderful people to work with. Our former and present members have made it possible for us to continue for 26 years. The zeal for ministry remains fervent and we have a strong calling to God's work.

We look forward to what God has in store for the future as we continue to Reflect the Son.

Rick Radford In The Spotlight

This month we would like to spotlight our baritone vocalist, Rick Radford. Rick began his ministry with The Reflectsons in August of 2016. He came on board as a fill-in before joining the group.

Although Rick has only been a Reflectson member a little more than two years, he has a lengthy history in the Gospel music arena.

Rick has founded and managed several groups of his own in addition to traveling with a number of other groups.

Rick is a blessing to the The Reflectsons and brings a lot of talent along with a heart for ministry.

Rick Radford

Rick is a proud resident of Kathleen, Florida but loves to travel anywhere there is an opportunity to sing the Gospel.

Thank you Rick for your dedicated service to God and this ministry.

Your Prayers, Support and Recommendations Are Appreciated

Ministering Angels Say Press On

Every now and then the Lord places special people in our paths to show us that He has everything under control.

Such was the case recently as a special lady approached Pam Renew as a friend and gave a generous donation to The Reflectsons.

This donation was much more than money, it was a message from our heavenly Father which said keep pressing on.

I'm not sure exactly what inspired this wonderful person to make the contribution, however, I do believe that she was inspired.

In our current economy I don't know of anyone who is trying to give money away, but I am thankful that there are people who will respond to that nudge within.

In order to not reveal the name of this person, let me say thank you (Angel) for being a blessing. May God continue to bless you and those like you.

Down through the years, God has sent people like this our way to show us that He wants us to continue in His service.

We truly appreciate every person who supports us in what ever way you do.
