

Happy New Year!

2018 - A Great Year !

The Reflectsons from left to right: Bruce Renew, Pam Renew, Dale Thigpen, and Rick Radford.

God proved Himself again! Doesn't He always! Speaking with Dale, he said that the year 2018 was a success due to the moving of the Spirit of God. Throughout the year the Reflectsons had the privilege of ministering in many churches. "And though we ministered, it was God who did the work of convicting, encouraging, healing, comforting, or whatever was needed in any given situation. We praise His name for allowing us to be a part of His work here on earth."

Yes, there is some entertainment involved in a

Singing ministry but that is not the main goal. The Reflectsons are all about ministry. They are about presenting the Word of God to a lost and dying world before it is too late. The Reflectsons do not want to see anyone spend eternity in that awful place called hell. They do want all to know Jesus and His saving grace and the peace and joy He gives even in this life.

The Reflectsons are very thankful for each opportunity they have to serve in a service no matter how large or small the congregation.

Many ministries similar to ours have started requiring a base fee plus a love offering for their services. While we are not criticizing other ministries, we do not feel that this system would be right for us.

If anyone has an interesting story about the Reflectsons, serious or funny, please submit for consideration for

publication in the newsletter. You may email to bonitathigpen57@yahoo.com or mail to Bonita Thigpen, 10800 SE 25th Ave, Trenton, FL 32693. Your prayers are always appreciated.

The Reflectsons look forward to what God will accomplish in 2019. Keep looking up and always **Reflect** the Son of God!

Singing to Reflect the Son since 1992

Dear Fellow Ministers and Church Members:

Please take a moment to read this important message. Since 1992 The Reflectsons have been serving the Lord and His churches.

If you received this publication through the mail, you have most likely booked us before or at least been in a service with us.

Throughout most of our time of ministry we have relied on The Gospel Post publication to stay in touch with our friends and fellow ministers.

A few years ago The Gospel Post had to discontinue it's operation due to the lack of financial income to pay for printing and postage costs. Since that time The Reflectsons have noticed a slowdown in our ministry schedule.

After much prayer and seeking the will of God for direction for my personal ministry, it seems the Lord keeps telling me to enhance publicity.

In response to this I am seeking to re-establish communication with our friends by publishing this newsletter.

Our ministry always has been and is dependant on friends like you booking us at your church. As always The Reflectsons do not place a price on our ministry services. Each member of the group serves on a volunteer basis without financial compensation. However, as I'm sure you are aware, any ministry or business must have some income to survive.

We operate by faith, believing that if we can work for our Lord, He will supply ministry needs.

Please prayerfully consider scheduling a time for The Reflectsons to come and minister at your church. You can see our available dates on our website. *Reflectsons.com*. I would love to hear from you by phone **352-463-2481**. I hope to hear from you soon.

May God continue to use us together for His kingdom until He comes to take us home.

Thank you for all that you do in the kingdom of our Lord.

Sincerely : Dale Thigpen
