

## Marching Forth

*The Reflectsons from left to right: Dale Thigpen, Bruce Renew, Pam Renew, and Rick Radford.*

Here we are **marching** forth on the mission to carry the good news of salvation to a lost and dying world, and assurance of hope and joy to God's church.

Eight years ago this month, God sent our way two precious, sincere and dedicated people to help us carry this ministry forward. What a great blessing they have been! Thanks Bruce and Pam for a job well done.

Again God has sent blessings our way. A donor who wishes to remain anonymous has bought a car dolly for the *Reflectsons*. Thank you! And thank you, Lord for answering our prayers.

Also, someone has decided to support this ministry with a monthly contribution of \$400.00.

### Did You Know?

Pam has been in the singing ministry most of her life. She began singing with her family *The Smith Family*, when she was only nine years old. They traveled and sang together most of her growing up years. Many lives have been touched through the life-changing songs of this group down through the years.

She has continued that ministry on into adulthood in her home church, in community outreach and traveling with the *Reflectsons*. God bless you, Pam and keep up the good work.

You'll never know just how much your gift of love means. Thank you from the bottom of our hearts.

Looking forward to what wonderful things the Lord has in store during April and the rest of the year. We know we can count on God to see us through every day. He is our ever-present help whenever we need Him.

If you have any interesting stories about the *Reflectsons*, please submit them for consideration for publication.

**Keep Reflecting the Son!**

### Song Of The Month

*The End of His Robe* is the pick for Song of the Month. Dale says, "The lyric line, There's grace in healing at the end of His robe, seems to speak to a lot people in our audiences that may feel they are not in the right place to receive from God. I think the song reminds people if they reach out to the Lord, He's touchable from wherever they are, if they're truly seeking Him."

Support and  
Recommendations  
Are Appreciated**

and inviting them to church. Most of the churches dad pastored were small country churches. Mom would usually work in the church as the clerk. She was the quiet type but would always do any job needing to be done, always standing by his side whatever God would have them do.

Daddy loved Gospel music and always believed in having Saturday night sings. It was

My parents were, John L. and Gertrude Lamb Renew. Daddy was a minister and pastor in the Church of God of Prophecy for 47 years before retiring, although he never stopped preaching. Mom and Dad were both born and raised in South Georgia. They pastored many churches through the years, in the states of Colorado, Georgia and Florida.

Dad helped to start several churches during his ministry. He was a preacher who believed in visitation and would always be about the communities meeting people

through this that I was blessed to meet my wife, Pam. Her family *The Singing Smith Family* was one of the groups that daddy loved and booked for the singing events.

Dad passed away in July, 1999 and mom passed away in June, 2017. Mom and dad were married for 50 years minus one week. I am blessed to have had such godly parents to raise me and teach me about Jesus.
