

Reflecting The Son

This month we celebrate one of the greatest events that has ever happened in the history of man, the resurrection of Jesus Christ our Savior! No other single event has brought about as much change throughout time as this one. And it will continue to bring change in the lives of people as long as His Spirit remains here on earth with us. However we need to understand that His Spirit will not always be with us so we need to accept this plan of salvation before it is too late. Happy Easter!

After nearly three decades in the Gospel music arena, The Reflectsons are still continuing their heritage in a rich repertoire of modern Progressive Southern Gospel music. From their obscure beginning, this group has become known as one of Florida's leading

Gospel ministries. Although their beginning was small and simple, the years have brought about new developments and opportunities that have developed into what this group is best known for today.

In an auditorium or a church, an audience who attends a Reflectsons performance is sure to receive a presentation that makes for a good Christian experience.

The Reflectsons may be booked for churches, civic organizations, concerts, fairgrounds, special events, etc. by contacting Dale at (352) 463-2481 or email to office@reflectsons.com. Log on to www.reflectsons.com to view photos, tour schedule and hear sound clips.

Keep Reflecting the Son!

What A Great Heritage! Aaron and Shirley Radford

Aaron and Shirley Radford

By Rick Radford

My parents were Aaron and Shirley Radford. They were hard-working Georgia folk. Dad and Mom were born and raised around Moultrie. They moved to Lakeland, Florida with my brother in 1959. I was born a year later.

Daddy was a grove caretaker and heavy equipment operator. Momma worked in the school cafeteria. She wanted to be home when her boys were home.

Mom and Dad worked in the church helping do things that

needed to be done. They weren't pastor or pastor's wife, just hard-working lay people of the church.

Momma taught me my first song when I was four-years-old. Oh, to have that time back again. They both loved Southern Gospel music and supported my ministry with all their hearts.

A memory, one of many, comes to mind, when I was with the Singing Reps I was sick as a dog and couldn't drive from Lakeland to Weirsdale. Momma drove me to the bus

and drove back to pick me up.

When I started the Hymnals my Dad was always there sitting in the buddy seat talking to me to keep me awake late at night and early in the morning. These are just a couple of the things they did for the ministry of the Lord.

My parents were married on June 19, 1953. I lost my Dad on February 24, 2009 and my Momma on March 2, 2010.

I was blessed to have such godly parents to raise me to be a godly man. PRAISE THE LORD!

Song Of The Month

Bruce was asked to pick the Song of the Month for April. And the winner is... *Power In Prayer*. "This song touches my heart and soul," Bruce said. "It just stirs your soul when you think about how much power there is in touching God through prayer."

He went on to say that you can see this song touching others in the services. The Spirit seems to use this song to move and minister everywhere we go.

*He is not here, but
is risen: remember
how he spake unto you
when he was yet in
Galilee:
Luke 24:6*

Happy Easter

Did You Know?

Dale Thigpen was run over by a milk truck when he was sixteen-months-old. This was when the milk was delivered to the house. His mother was sick and his cousin was staying with them to help. He got out the door and crawled under the truck. No one saw him. When the driver left he drove over Dale.

The doctor told Dale's dad to call in the family. He not only called the family, he called the church family and somebody touched God with their prayers. Needless to say, Dale is still here today. Thank you, Lord!
