

Reflecting The Son

The Reflectsons from left to right: Pam Renew, Dale Thigpen and Rick Radford at Faith Baptist Church in Tampa, Florida.

What is independence? Independence is freedom from outside control. Once we have surrendered our lives to the Lord, we are no longer under the control of Satan and his influence in our lives. Some may argue that we have just changed who we have given control to. True as this may be, at least with God in control we know that with Him everything is good. He is good and all that He does is good! He is love and all that He does is with love. I'm so glad that we have such a loving and caring Savior.

Some think that traveling with a singing group is all fame and glory. That's because they don't get to see the before and after the stage part of the program. They don't see the hours of traveling time to get to the place where concert takes place, the labor that goes into getting the sound equipment set up and adjusted to make the sound pleasant, then the breaking down of the equipment and the loading back on the bus, driving to the next

concert - sometimes late into the night (and if the bus breaks down, maybe all night), then start all over again. Is this a complaint? Absolutely not! It is worth every minute, every task, when one soul comes to know the Lord, when one heavy burden is lightened, when one heart is lifted. But just in case you think singing ministries are a game or are not real and serious about working for God. We can't speak for all of them, but we love the Lord with all our hearts and we are very serious about our ministry. Please pray for the Reflectsons that we can reach many souls with the Gospel. Time is running out!
